Setter Specialty Camp

Setter Specialty CAMP

June 13th - 17th, 2011

The Setter Specialty Camp is a five day camp designed as an intensive training opportunity for intermediate to advanced level volleyball players looking to improve their setting skills. It is recommended that athletes registering for this camp be High School Varsity level setters or at least have had one year of Varsity level playing experience.

The camp will be high repetition setter training on hand position and release, footwork, jump setting and offensive systems. Campers will also study the art of setting from an academic standpoint including- set calling, in-game changes, leadership characteristics and more. All campers will become proficient at breaking down game film & exploiting weakness in the opposition.
